Dear <John Q. Sample>,

**Your Louisiana Wildlife Enforcement Agents thank you for your continued loyalty and support.**

We are dedicated to protecting the natural resources and ensuring public safety on our state's waterways, wildlife management areas and woodlands. During the **summer**, boating safety is a top priority for the Louisiana Wildlife Agents. Agents are continuously patrolling our state's waterways in an effort to promote safety and prevent DWI's on the water. Now is a crucial time for us to know that you are behind us, as it will also soon be time to begin hunting safety classes. Your support helps to fund our hunting, fishing and boating safety projects as well as protecting your rights as a hunter and fisherman.

Public safety is always our top priority!
